The Litigation Section is the home of **Texas** litigators

All members receive free access to the resources at [Litigationsection.com](https://litigationsection.com), in addition to receiving the respected quarterly journal, The Advocate, featuring updates and analyses of issues by some of the state's most distinguished practitioners. The Section provides grants to worthy projects, sponsors ethics-accredited programs and lectures at law schools, and provides fabulous speakers for the Bar's Annual Meeting. When there are court rules and proposed legislation being considered that will affect how lawyers practice, the Section takes a lead in advocacy with the Texas Supreme Court and the Texas Legislature.

The Litigation Section also is transforming how we see ourselves as litigators, including our duty to act as the gatekeepers of justice in this country, so that we make a difference in the lives of our citizens. This is demonstrated through our Texas Legal Legends program where we induct Texas legal legends who have done something larger than themselves to help others and benefit mankind.

In addition, the Section cosponsors top-notch continuing legal education with TexasBarCLE, earning its members a discount. In a typical year, this would mean discounted attendance at these popular programs: Litigation Update Institute, Advanced Evidence and Discovery, Advanced Civil Trial, and Advanced Personal Injury Law Course.
